AppliMax Spray Performance Kit

Pro Applicator Spray Performance Kit (SPK-PA)

Everything you need to ensure optimal spray application...all in one convenient kit. Rugged, compact, case contains Spray Nozzle Calibrator, Spray Boom Remote Control, Wind Meter / Thermometer, Spray Nozzle Pressure Gage, Water PH Tester, nozzle brush, safety gloves and glasses and room to store extra parts.

Note - Boom Remote Control wire harness may be required. Please refer to *AppliMax Spray Boom Remote Control - Control module and Wire Harness Selector chart* - available under *Support* section on ati.ag web site.

The SPK-PA also includes a Pro Applicator series Spray Nozzle Tester & Wear Analyzer (see page 3).

Spray Performance Kit

Pro Applicator model

SPK-PA207-153-00-APMX	SPKPA Case c/w Calibrator, Std Boom Control, Tester-Analyzer & Access. (harness extra)	1,889.00
SPK-PA217-154-00-APMX	SPKPA Case c/w Calibrator, Deere Boom Control, Tester-Analyzer & Access. (harness incl.)	1,999.00
SPK-PA200-155-00-APMX	SPKPA Case c/w Calibrator, Tester-Analyzer & Access.	999.00
SPK-PA300-156-00-APMX	SPKPA Case c/w Calibrator, SS Deere Boom Control, Tester-Analyzer & Access. (harness incl.)	2,199.00
SPK-PA200-157-00-APMX	SPKPA Case c/w Calibrator & Access.	879.00

Wire Harnesses

SBRC207-132-00-APMX	SBRC Model 207 Wire Harress - Deutsche 2 Pin	39.00
SBRC207-133-00-APMX	SBRC Model 207 Wire Harress - Deutsche 8 Pin	49.00
SBRC207-134-00-APMX	SBRC Model 207 Wire Harress - Weatherpak 3 Pin	39.00
SBRC207-135-00-APMX	SBRC Model 207 Wire Harress - Weatherpak 4 Pin	39.00

Pro Technician Spray Performance Kit (SPK-PT)

Sprayer set-up and servicing is a lot easier with the right tools. Rugged case contains Spray Nozzle Calibrator, Spray Boom Remote Control and quick connect wire harnesses to fit fit most sprayers (Harnesses purchased separately).

Spray Performance Kit

Pro Technician model

SPK-PT207-150-00-APMX	SPKPT Case c/w Nozzle Calibrator and All brands Boom Control	1,799.00
SPK-PT217-152-00-APMX	SPKPT Case c/w Nozzle Calibrator and John Deere Boom Control	1,799.00

Pro Technician model Wire Harnesses

SPK-PT207-163-00-APMX	SPKPT WIRE HARNESS: 2-8 PIN & 1-2 PIN DTCH, 1-3 PIN WPAK c/w DB9	279.00
SPK-PT207-164-00-APMX	SPKPT WIRE HARNESS: 7-3 PIN WEATHERPAK c/w DB9	359.00
SPK-PT207-165-00-APMX	SPKPT HARNESS: 7-4 PIN WEATHERPAK c/w DB9	369.00
SPK-PT217-166-00-APMX	SPKPT WIRE HARNESS: JOHN DEERE 47XX, 48XX & 49XX c/w DB9	179.00
SPK-PT207-167-00-APMX	SPKPT WIRE HARNESS ADAPTER - '09+ C-IH 33XX & 44XX 5 & 7 Boom	89.00

AppliMax Spray Boom Remote Control

Control the spray boom from outside the cab to make nozzle calibration, inspection, and maintenance quicker and easier.

Control Module & Remote Kits

SBRC207-120-00-APMX	Spray Boom Remote Control, Model 207	859.00
SBRC217-122-00-APMX	Spray Boom Remote Control, Model 217	859.00
SBRC217-123-00-APMX	Spray Boom Remote Control, Model 217 c/w Deere 136 wire harness	979.00
SBRCSS300-124-00-APMX	Spray Boom Remote Control, Model 300 c/w Deere CB interface	1,199.00

Wire Harnesses

SBRC207-132-00-APMX	SBRC Model 207 Wire Harress - Deutsche 2 Pin	39.00
SBRC207-133-00-APMX	SBRC Model 207 Wire Harress - Deutsche 8 Pin	49.00
SBRC207-134-00-APMX	SBRC Model 207 Wire Harress - Weatherpak 3 Pin	39.00
SBRC207-135-00-APMX	SBRC Model 207 Wire Harress - Weatherpak 4 Pin	39.00
SBRC217-136-00-APMX	SBRC Model 217 Wire Harress - John Deere	99.00

Model 207 & 217 comes complete with Remote

Model 300 utilizes App on users Smartphone

SPRAY
PERFORMANCE
TOOLS

AppliMax Spray Nozzle Calibrator (SNC)

Quickly and easily ensure that your nozzles are applying the correct application rate and check nozzle wear.

SNC100-100-00-APMX Spray Nozzle Calibrator, Model 100 399.00

AppliMax Spray Nozzle Tester & Wear Analyzer (SNTA)

How do you know when to change your spray nozzles? The Spray Nozzle Tester and Wear Analyzer lets you quickly and easily check individual spray nozzle output and analyze and track wear with your computer.

Pro Applicator model connects to shop sink for water supply. Pro Technician model includes tank- pump system.

Pro Applicator model

SNTA-PA100-180-00-APMX Spray Nozzle Tester & Wear Analyzer Software License 259.00

Pro Technician model

SNTA-PA100-181-00-APMX Spray Nozzle Tester, Pump - Tank System & Wear Analyzer Software - Single User License 599.00

SNTA-PA100-182-00-APMX Spray Nozzle Tester, Pump - Tank System & Wear Analyzer Software - Dealer License 799.00

Pro Technician model

Pro Applicator model

AppliMax Spray Nozzle Pressure Tester (SNPT)

Consistent pressure on all your booms is key to even, accurate spray application.

SNPT100-192-00-APMX Spray Nozzle Pressure Tester 59.00

AppliMax Wind Meter / Thermometer (WMT)

Check wind speed and direction to ensure the spray goes where you intend it to.

WMT100-190-00-APMX Wind Meter - Thermometer 149.00

AppliMax Water PH Tester (WPHT)

Precision Water PH Tester lets you ensure water is not acidic or alkaline, so chemicals have maximum effectiveness.

WPHT100-191-00-APMX Water PH Tester 129.00

AppliMax Spray Nozzle Air Blaster (SNAB)

Quickly blow out nozzles with a powerful air blast.

SNAB100-193-00-APMX Spray Nozzle Air Blaster 29.00

GRAIN
HANDLING
PRODUCTS
